

A ShivShakti Group Venture

# Prakash Fabcon & Engineering Pvt. Ltd.

An ISO 9001:2008 company based in Mumbai, INDIA

## OUR HISTORY

Late Mr. Raghavji Haribhai Makwana had laid the foundation of the business empire named as Shiv Shakti group of companies under it's flagship company called Shiv Shakti Engineering company in 1970.

The company started as a small scale fabrication unit, and slowly but steadily flew as medium scale company by expanding & diversifying itself into other core rapidly growing business opportunities.

**Our Philosophy:** कर्मण्ये वाधकिरस्ते मां फलेषु कदाचन । मां कर्मफलहेतुर्भूः मांते संडगोस्त्वकर्मणि ॥

## ABOUT US

Prakash Fabcon & Engineering Pvt. Ltd. is specialized in executing Turnkey Projects for areas requiring sound management systems e.g. Recording / Mixing / Studios, Auditoriums, Theatres, Conference Room, Banquet Halls etc. The scope of works covers Flooring / Ceiling / Wall Clading / Acoustic Treatment / Furniture & Carpentry / Electrification / HVAC etc.

The scope of works covers starting from project conceptualizing, designing, drawing & detailing, estimation, on site execution validating – testing & commissioning & handing over the project ensuring back up service support during operational periods.

Prakash Fabcon & Engineering Pvt. Ltd. Has to it's credit some of the very prestigious project of similar nature for it's very reputed clients such as Yashraj Films, Whistling Woods, Anand Studio, Talwalkar's (Fit & Active) to name few.

PFE's strength lies in satisfied clientele & is reflected in their repeat orders

## OUR STRENGTH

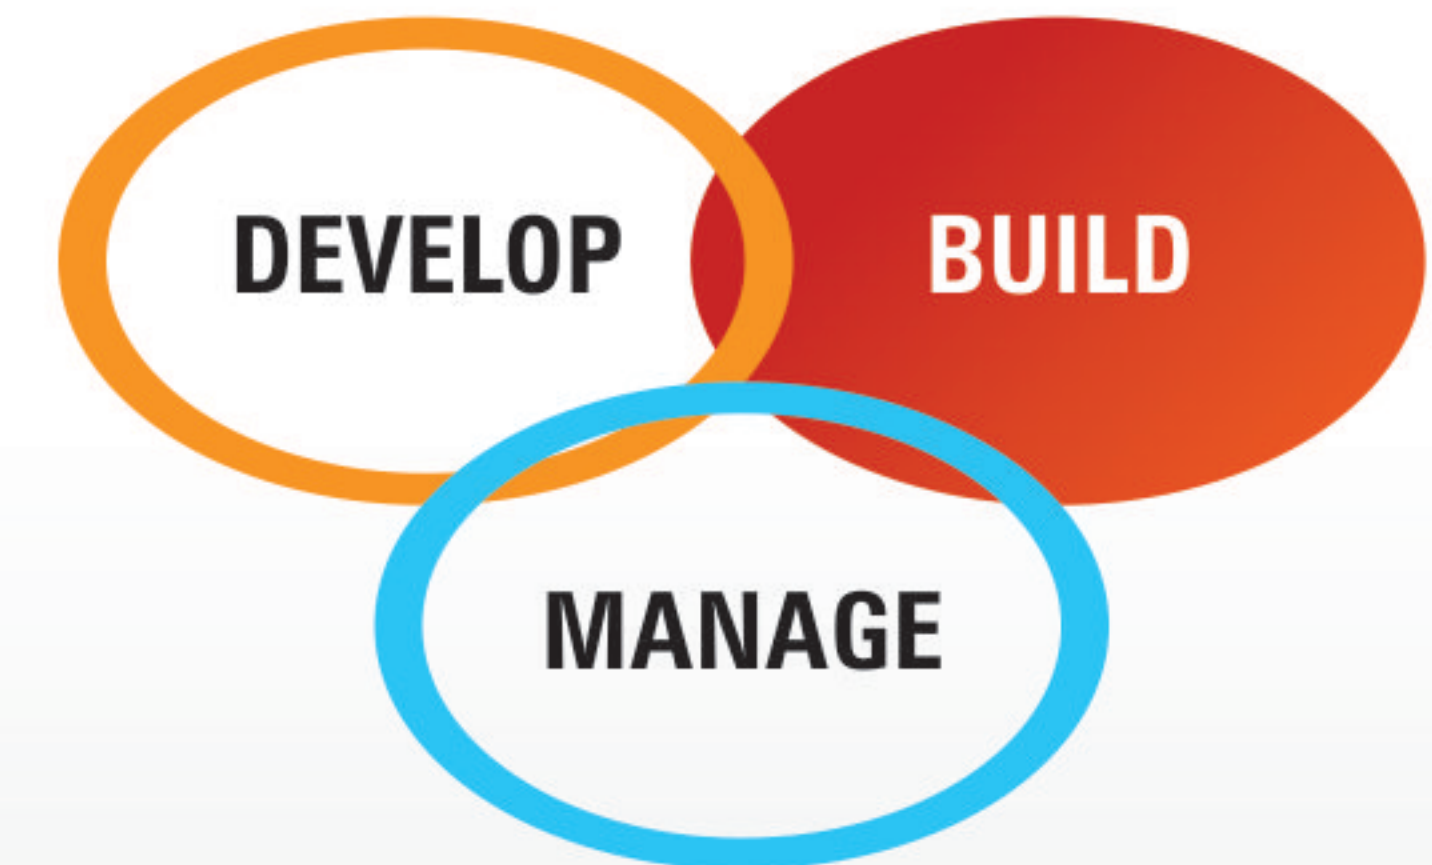

The strength of the company is it's dedicated work force, highly reputed clientele & it's capabilities to take up awarded task as a challenge. We continue to recruit, develop and retain the best talent as we recognize that this is paramount to maintaining our growth strategy and success in the long run.
